10 YEAR ANNIVERSARY

Sun Solar is celebrating our ten year anniversary on May 24th, and we are inviting the community to celebrate with us! We are hosting a public raffle and all of the proceeds from the event will be donated to St. Jude Children's Research Hospital.

Along with the public raffle, there will be inflatables, food trucks, and a Tesla Car Show. Everyone is invited to come eat, play games, and win raffle items to support St. Jude!!

TESLA SOLAR ROOFING

SUN SOLAR IS A CERTIFIED TESLA PARTNER FOR SOLAR ROOFING

What makes the Tesla solar roofs? Solar shingles! These shingles are photovoltaic solar cells embedded in tempered glass.

The solar shingles are installed the same way common roofing materials are, such as asphalt and gravel shingles. Each solar shingle functions similarly to a solar panel, in order to produce electricity. The design is manufactured to be visually appealing and occupy less space than regular solar panels.
